**I. INTRODUCTION**

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Five-star care Transportaion LLC (“Five-star”) for an extension of time to comply with Commission Rules and Regulations.

**II. FACTS AND PROCEDURAL HISTORY**

Five-star filed an Application for a Class C Non-Emergency Certificate of Public Convenience and Necessity with the Commission on October 8, 2020.<sup>1</sup> On November 2, 2020, the Commission issued Order No. 2020-705, approving the Application for a Class C Non-Emergency Certificate.

On January 29, 2021, Five-star filed a request for an extension until April 22, 2021, to comply with the requirements of Order No. 2020-705. The Commission granted this extension request on February 10, 2021.<sup>2</sup> Thereafter, on April 16, 2021, Five-star

<sup>1</sup> The Application was filed in Five star’s prior name of Jeannettia Kinloch d/b/a A & J Quality Transportation. By Order No. 2021-598, issued September 2, 2021, the Commission approved a change in name from Jeannettia Kinloch d/b/a A & J Quality Transportation to Five-star care Transportaion LLC.

requested an additional extension of time, until August 22, 2021. This request was granted by the Commission on April 28, 2021.<sup>3</sup> Five-star filed yet again on November 30, 2021, a request seeking another extension of time. By this request, Five-star seeks an extension until December 2, 2022.

The Commission addressed the November 30, 2021, request for an extension of time at its business meeting on December 8, 2021. A motion was made to deny Five-star's request, and the motion was unanimously granted by the Commission.

In the Directive issued by the Commission on December 8, 2021, the Commission noted that Five-star has never come into compliance with Order No. 2020-705 so that its Certificate can be issued. The Commission found specifically that, "Too much time has now passed without licensure since application and review of this company. Circumstances may have changed. It is not in the public interest to further extend time."<sup>4</sup>
